Please Note: Subscription to MLSListings is based on your individual DRE number. Team ID numbers are created solely for convenience and are not to be used as a license or on official documents. Should any member not remain active with the MLS or change their office the team ID will be terminated. Any active team listings will then be transferred to the manager or broker of the office of the primary team member. Compliance MLS rules, policies and obligations are the responsibility of the primary member and their brokerage.
